Awakening South Africa, Prayer and Repentance Movement

City Connect 50 Days of Prayer for the 2026 Local Government Elections.

Opening Prayer for South Africa

11 to 13 September 2026, Rosh Hashanah 5787

Intercessory Prayer composed by Andrew Murray (1828-1917), a famous South African Dutch Reformed pastor, teacher, and writer who wrote nearly 240 books and tracts on prayer and deeper spiritual life.

Andrew Murray fuelled the historic South African Revival of 1860, which began through persistent intercession.

Rooted in his father's decades-long Friday night prayer meetings, Murray's ministry emphasized that true spiritual awakening requires deep repentance, absolute surrender, and a life anchored completely in unceasing communion with God.

Lord, teach us to pray.

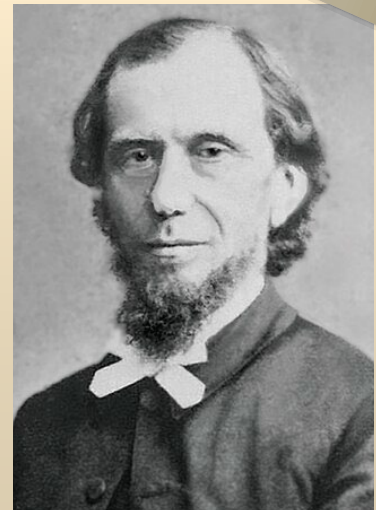

*Open our eyes to see the needs of
our land and people.*

*Break down all trust in self and
make us the intelligent channels
through which Your divine
purpose and healing can flow
down to our nation.*

*Revive Your work in the midst of
the years and let Your glory cover
South Africa.
Amen.*

Murray's Challenge

As Andrew Murray wrote "Live in the bold and holy confidence that God is able to bless His Church through you...God is really only waiting for prayer in order to give the blessings"

City Connect: Mobilising South Africa's Cities and Towns in 50 Days of Prayer for the Local Government Elections

As South Africa prepares for the 2026 Local Government Elections, many people are asking what they can do to make a difference in their communities. Some will campaign. Some will volunteer. Many will vote. But perhaps one of the most powerful contributions Christians can make is to pray.

Throughout Scripture, God calls His people to stand in the gap for nations, cities, leaders, and communities. Prayer is not a passive activity. It is a spiritual partnership with God that invites His wisdom, protection, righteousness, and purposes into the affairs of men.

The vision of **City Connect** was birthed from a simple yet profound conviction: what if every city and town across South Africa united in prayer during the 50 days leading up to the local government elections to be held on 04 November 2026?

Why Pray for Cities?

The Bible places great significance on cities. Jerusalem, Nineveh, Antioch, Corinth, and Ephesus were all centres of influence where God's purposes were worked out.

When a city flourishes, its people flourish. When a city struggles, its people feel the impact. This is why Jeremiah instructed God's people to pray for the welfare of the city.

Today, South Africa faces many challenges, including crime, corruption, unemployment, poverty, violence, substance abuse, and social division. Yet these challenges are not greater than God's ability to intervene when His people pray.

Connecting Cities Through Prayer

The **City Connect** initiative seeks to connect intercessors across South Africa's towns and cities. The goal is to connect existing believers, churches, ministries, and prayer groups around a common purpose.

Prayers have a unique ability to unite people where politics, race, language, and social differences often divide. When believers kneel together before God, they recognise their shared dependence on Him.

Imagine prayer gatherings taking place in Johannesburg, Cape Town, Durban, Mahikeng, Bloemfontein, Gqeberha, Polokwane, Kimberley, Mbombela, and hundreds of smaller towns.

Imagine thousands of believers lifting their voices together for righteous leadership, peaceful elections, and the healing of our nation.

Praying for Local Government Elections

Elections are more than political events. They determine leadership, influence policy decisions, affect service delivery, and shape the future of communities.

Scripture instructs believers to pray for those in authority so that society may experience peace, order, and stability (1 Timothy 2:1-2). Prayer helps us move beyond personal preferences and seek God's will for our nation.

Rather than merely reacting to political developments, Christians are called to proactively pray for wisdom, integrity, justice, and godly leadership.

Praying Versus Protesting

There are times when citizens appropriately raise concerns and seek accountability. However, prayer reaches where human effort cannot.

Protests may draw attention to problems, but prayer invites God into the solution. Prayer changes hearts, opens doors, grants wisdom, exposes corruption, protects communities, and brings spiritual transformation.

The early Church changed the Roman world not through political power but through persistent prayer, faithfulness, and obedience to God.

The call of **City Connect** is not to replace civic responsibility but to complement it through spiritual responsibility.

The Spiritual Significance of 50 Days

The number fifty carries profound biblical significance.

In Genesis 18:23-26, Abraham asks if God will spare the city if there are fifty righteous people inside the city. God answers that He will spare the whole city for the sake of those fifty righteous people.

Following Passover, Israel counted fifty days to Pentecost. Fifty was associated with preparation, expectation, harvest, and the outpouring of God's Spirit. In the Year of Jubilee, proclaimed after cycles of fifty, captives were released, debts forgiven, and restoration declared.

2026 also marks the 50th anniversary of the Soweto youth uprising of 16 June 1976, which was a watershed moment that marked the end of submissiveness against apartheid.

A 50-day prayer journey before the elections provides an opportunity for believers to prepare spiritually, seek God's direction, and contend for revival in our towns and cities.

We believe these 50 days can become a season of repentance, unity, restoration, and renewed hope for South Africa.

A Call to the Watchmen

South Africa needs more than political solutions. We need spiritual awakening. We need watchmen on the walls who will pray, intercede, and believe God for transformation.

The **City Connect** vision is an invitation to every believer, every church, every ministry, and every intercessor to join together in prayer during these crucial weeks ahead of the Local Government Elections.

Awakening South Africa, Prayer and Repentance Movement

“

From the beginning of 2022, **Rachel Kalidass** started receiving various dreams, visions and prophetic words regarding the Lord's desire for the nation to gather before Him in Prayer and Repentance.

In July 2024, Rachel Kalidass received the following words from the Lord, prompting her to commence organising various Prayer and Repentance events:

”

"IT'S TIME"

"AWAKE, AWAKE, AWAKE, SOUTH AFRICA AWAKE"

The Lord further instructed that the Jennifer LeClaire 2020 prophetic word serve as the manifesto for this prayer movement:

I heard the Lord say over South Africa: "I am calling you to pull from your revival heritage. I am calling you to pray the prayers of the pioneers who pressed in and pursued revival long before you walked the earth."

If you will cultivate in your heart a passion for souls and pray for the harvest, I will rain down on you. I will rend the heavens and come down to you. I will pour My spirit out upon your nation again in such a way that ancient divisions will find healing in My presence.

You must pray like the pioneers and prophets from decades and centuries ago. They grabbed hold of my heart, not just the horns of the altar. I moved in their midst in a mighty way in response to their humble prayers.

South Africa will be awakened when the intercessors are fully awake and when the evangelists are prepared to reap the harvest. Pray, then, to the Lord of the harvest that He will ready laborers to reap after intercession is sown. Pray without ceasing until you see My will come to pass.

For many revivals will break out in Africa, but South Africa is the tipping point to awakening a continent.

Prayer: Lord, awaken Your people to possess this land. We call for skilled, righteous leaders in our municipalities. Mobilise the Church to pray, serve, watch, report, and seek the welfare of our cities. We pray that the wicked will forsake their ways and the unrighteous their thoughts. Let them return to the Lord, for You abundantly pardon.

Proclamation: We proclaim that the Church is rising as salt and light. A mighty Joel-type army is arising in every community. Structure, discipline, planning, divine order, and accountability will return to our municipalities.

Day 32, 15 October 2026: Unity of Vision and Purpose

Prayer: Father, establish in every community fresh vision and unity of purpose. Let every dividing wall of hostility be broken down. Silence the voices that sow division, and raise up voices that call for true peace, unity, and vision. May every tribe and tongue unite for a better future, with You as our Lord.

Proclamation: We speak life to every dry place marked by greed, poor leadership, hopelessness, and lack of vision. May every barren place be awakened in Jesus’ name. We speak the blood of Jesus over the land: the blood that purifies, cleanses, redeems, and speaks a better word. We praise You for the spotless sacrificial Lamb of God, who washes and cleanses us from all unrighteousness.

May our prayers rise before You like incense, and the lifting of our hands be as the evening sacrifice. Let corporate worship, prayer, and praise arise from city streets, community halls, highways, and byways throughout this land.

In Your name we can do mighty exploits like Daniel. We also thank You Lord for each citizen You have called to step into public office to serve, grant them supernatural boldness and courage to fulfil Your purposes and to proclaim Jesus.
